

# K'yahn Martin

## Computer Scientist

Experienced in C++, Java, and Javascript

## Education

### Santa Monica College

**2023-2024**

Computer Science BS *-in progress-*

While in SMC I learned C++ and many of the more fundamental concepts of computer science. I also took many math classes that helped me understand graph theory and set theory.

### California State University Northridge

**2025-present**

Computer Science BS *-in progress-*

I am currently at CSUN and so far have learned Java and Javascript. I have finished the required math classes and have completed a group project where we built a website for an imaginary airline.
